

AWA **Bird-A-Thon!** Pledge Card

Please sponsor my 2011 Bird-A-Thon!

The Alamos Wildlands Alliance's 1st Annual Bird-A-Thon is coming up! A Bird-A-Thon is just like a walk-a-thon, but I'll be counting birds instead of steps. It will take place January 30th - February 5th. I'll choose a 24-hour period within that time to go birding, and identify as many bird species as I can.

I am asking you to pledge a certain amount for each species I count, or to make a flat donation.

Your generous gift will fund long-term monitoring and research in the coastal thornscrub ecosystem of Sonora, Mexico. The annual support of AWA members and supporters remains one of the most important sources of funding. With your donations, AWA is able to continue the important education and research to conserve this threatened ecosystem.

Please support my Bird-A-Thon! Complete the information below and return it to me or to AWA at the address below.

I pledge \$_____ for each species you see on your Bird-A-Thon.

Instead of a per species pledge, I prefer to make a fixed pledge of \$_____ to Alamos Wildlands Alliance.
